How To Sharpen A Hatchet

The Fiskars 7861 Axe, Hatchet and Knife Sharpener is an interesting tool in that there are very few pull through manual sharpeners for the large blades that this one accommodates. Never wonder again if you're sharpening your axe the right way or not. It is designed for axes and machetes where the large edges are slow to sharpen with fine stones. This also applies to sharpening an axe. How to Sharpen Tools...
